Dear scholarship applicant,

On behalf of the Suzuki School of Newton, I want to thank you for your interest in enrolling your child at the Suzuki School for music instruction. We believe that every child can learn the joys of music making and that parents are an important part of our learning triangle with teacher and child.

If you are enrolling a new student and requesting a scholarship, you must follow the same enrollment process as other new students: observation, parent orientation, and interview. You may, however, apply for financial aid prior to completing the enrollment process.

If you are returning to the Suzuki School of Newton, you are asked to submit your enrollment materials no later than the date when you submit your scholarship application. The normal deadlines for re-enrollment apply, except that you may submit the \$45 registration fee in place of your tuition payment.

To apply for a scholarship, you must submit all of the following:

- 1) Registration form, completed with all available information
- 2) Scholarship application
- 3) Applicant's copy of last year's income tax return (Form 1040 or 1040A, for example)
- 4) \$45 registration fee

Please answer every question on the scholarship application page. Incomplete applications will NOT be considered. The Scholarship Committee meets several times over the course of the summer. For best eligibility, please submit early! The deadline for submission of financial aid materials is June 1, 2017.

Yours truly,

Sachiko Isihara
Executive Director
