Dear scholarship applicant,

On behalf of the Suzuki School of Newton, I want to thank you for your interest in enrolling your child in the Suzuki music school and/or preschool. We believe that every child can learn and that parents are an important part of our learning triangle with teacher and child.

If you are a prospective student requesting a scholarship, you must follow the same enrollment process as other new students: parent orientation, observation, and interview. However, you may apply for financial aid prior to completing the enrollment process.

If you are a returning SSN student, we ask that you submit your re-enrollment materials prior to submitting your scholarship application. The normal deadlines for re-enrollment apply, but scholarship applicants may submit the \$45 registration fee in place of your first tuition payment.

To apply for a scholarship, you must submit all of the following:

- 1) Registration form, completed with all available information
- 2) Scholarship application
- 3) Copy of last year's income tax return (Form 1040 or 1040A, for example)
- 4) \$45 registration fee

Please answer every question on the scholarship application page. Incomplete applications will NOT be considered. The Scholarship Committee meets several times over the course of the summer. For best eligibility, please submit early! The deadline for submission of financial aid materials is July 31, 2018.

Yours truly,

Sachiko Isihara
Executive Director
