

# SUZUKI EARLY CHILDHOOD EDUCATION

*for children ages 0-3*

## SUMMER SESSION 7/12-8/9

In the Suzuki Early Childhood Education (ECE) class, parent and child (age 0-3) participate in a weekly interactive music class. Children build vocabulary, learn socially acceptable behavior and sensitive group participation, and develop fine dexterity, rhythm sense, and pitch awareness. Parents enjoy watching their children develop musical awareness, memory and social skills. Teachers work with parents to build a repertoire of lullabies, action songs and nursery rhymes. Parents are encouraged to use the Curriculum CD at home and to repeat the songs and rhymes daily.

Parents become expert observers of their own children. Children watch the actions of the parent and gradually begin to imitate them. This process is one to be enjoyed and celebrated as each new development is observed--just as you do when your baby utters those first few words. The most important skill for children at an early age is the ability to listen. Upon graduating from the class, children are ready to begin Suzuki instrument lessons.

All classes will be held at United Parish of Auburndale, 64 Hancock Street, Newton, MA. Cost is \$30 per class for each child plus adult caregiver. Classes are limited to 8 participants. Please register and pay in advance for all classes you plan to attend.

*Registration Form*

Child's Name \_\_\_\_\_ Date of Birth \_\_\_\_\_  
Sibling's Name \_\_\_\_\_ Date of Birth \_\_\_\_\_  
Parents' Names \_\_\_\_\_
