

SUZUKI PRESCHOOL OF NEWTON PRESENTS...SUZUKI UNDER THE SEA! JUNE 26-AUGUST 11

WET N' WILD (June 26-June 30):

Is your child looking to have some crazy, wet and wild fun this summer? Then, this is the week for him/her. We will be playing, experimenting and even flavoring water to keep us entertained during this week.

FIT AND FUN UNDER THE SUN (July 3-July 7):

During this week we will be learning about healthy summer foods and creating our own fun foods cook book. We will also be exploring exercises that will keep us fit and energized (i.e. water aerobics, water yoga, relay races and water games).

FISHY, FISHY CROSS MY OCEAN (July 10-July 14):

Are you curious about what lives in and around the deep blue sea? This week we will learn about a plethora of ocean animals. We will dive in to books and activities about the cool creatures that we can find in waters all around the world.

SHIP, SHIP HOORAH! (July 17-July 21):

Interested in using your hands to build something spectacular? Then this is the week for your child. We will spend the week using many different mediums to build different kinds of boats, ships and piers. We will be using tools and learning how to use them safely.

AYE, AYE CAPTAIN (July 24-July 28):

This week we will be learning all about our historic New England treasures. We will explore locations like Boston Harbor, the lobsterman in Maine, and the Massachusetts fisherman to name a few. This will be a great way to hone in on our fishing skills and make lobster traps.

SURFS UP (July 31-August 4):

Want to spend time at Suzuki Beach and learn how to surf? This is the week for you. We will be transforming the courtyard into our very own private beach. We will practice surfing (on land of course) and pack our beach snacks and sandals. This week is bound to be a lot of fun!

AARGH, A PIRATE'S LIFE FOR ME (August 7-August 11):

This week we will be learning about a pirate's life. We will make treasure maps and go on scavenger hunts. Don't be surprised if your child comes home dressed and talking like a pirate, with a bird on his/her shoulder to boot!
