## Student Workshops

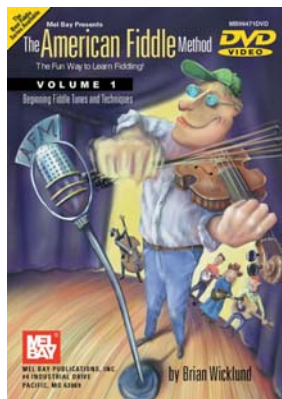

Workshops will be led by world class American Fiddler and music educator, Brian Wicklund. Students in either Beginner, Intermediate or Advanced level classes will meet for one hour each day and will be instructed in the principles of the American fiddle style and improvisation.

Upon registration, students are asked to have repertoire ready for in-class performance prior to the start date. The workshop will conclude with a Barn Dance and Potluck Supper on Wednesday, July 22nd with student performances and square dancing with a real live "caller". This year's caller will be Marcie Van Cleave, Director of the Folk Arts Center of New England. For more info on local folk arts events: [www.facone.org](http://www.facone.org)

Marcie Van Cleave takes the lead at our Barn Dance 08'

Brian Wicklund is the winner of many fiddle competitions in the United States and has also released his own solo album, "Arrival" while also appearing on various recordings with Stoney Lonesome, Judith Edelman Band, Kathy Kallick, Lorie Line and Brother Mule. Brian is the author of "American Fiddle Method" published by Mel Bay. For more on Brian and his book visit: [www.brianwicklund.com](http://www.brianwicklund.com)
