

SUZUKI PRESCHOOL OF NEWTON PRESENTS.... LET'S GO TO THE MOVIES! JUNE 24-AUGUST 9

TOY STORY (June 24-June 28): What child doesn't love playing with toys? This week we will be opening up Suzuki's Toy Workshop. We will explore using plastic, paper, wood, and fabric to make toys that we can add to our dramatic play and construction areas..

HUNDRED ACRE WOOD (July 1-July 5): You won't find your kids in the classrooms you'll find them hanging out with all of their woodland friends. We will read some of the classic A.A Milne stories and learn about animals that live in the forest. We will learn about bees and honey and end our week with a teddy bear picnic with some homemade honey treats.

WE SPEAK FOR THE TREES (July 8-July 12): This week we will take a lesson from the Lorax and learn about tree conservation. We will explore how plants grow and even start a Suzuki garden! By the end of the week your children will know how great trees are for our Earth.

LIONS AND TIGERS AND BEARS OH MY! (July 15-July 19): We are off to see the wizard! This week we will be taking a trip down the yellow brick road to visit the tin man, the cowardly lion, and the scarecrow. We will sing along as we run through our Wizard of Oz themed obstacle course on our way to the Emerald City

FINDING NEVERLAND (July 22-July 26): Nobody wants their kids to grow up so, we're off to find the lost boys of Neverland! We are going to follow the second star on the right as we explore pirate ships and the land of the fairies. Maybe we will catch a glimpse of Peter Pan while we try to hid from Captain Hook.

THE JUNGLE BOOK (July 29-August 2): Let's go and explore the jungle together. We will set out and look for Tarzan or Jane. While we explore we will learn about the 4 parts of the Amazon Jungle, take a peek at all the animals that live in the canopy and turn our preschool classroom into an evergreen jungle.

BACK TO THE FUTURE (August 5- August 9): Has your child been interested in how things work? This is the week that we will answer those questions! We'll don our lab coats and goggles end enter the laboratory. Let's try some experiments together!
